Subject: FEC Matter

Martin: Many thanks for setting aside time for meeting this morning. I enjoyed meeting you and hearing about your company and the STEM project. I will send you an engagement letter in the morning. If possible, I would appreciate it if you could send the retainer payment directly to my Bank of America account via an EFT or wire. I don't trust checks sent via the USPS because they tend to get lost! I will send you my BofA details with the engagement letter in the AM. I look forward to helping you put this issue behind you as quickly as possible. I also believe that we can resolve this matter in a way that limits your exposure to adverse media attention. Bill.
